

GOVERNMENT SOLUTIONS

MorganFranklin is a strategy and execution-focused business consulting firm and professional advisor. We provide strategic thinking and hands-on support to help clients manage growth, comply with and adapt to changes in laws and regulations, optimize resources, minimize and mitigate risk, and maximize performance. Our solutions always consider the key connections between finance and accounting, operations, technology, and risk—connections that are critical to success for any organization or enterprise. Clients say that our responsiveness, flexible style, and fast access to proven professionals make us an invaluable business partner and advisor.

What sets us apart is as much about how we deliver as what we deliver. Our collaborative client service model called *The MorganFranklin Way* is the heart of how we deliver. This model is based on measuring and confirming the value we create and providing effective communications designed to achieve and maintain alignment of our efforts with our clients' objectives.

Solutions with Impact & Lasting Value

With every high-stakes challenge comes an opportunity to do things better. Count on us to tackle business and technology challenges with an eye toward improving the competitiveness, efficiency, and effectiveness of operations.

ACCOUNTING & TRANSACTION SERVICES

We help CFOs and their teams anticipate and respond to accounting complexities, increased financial reporting, and transaction-related demands.

INFORMATION MANAGEMENT & TECHNOLOGY

We help CIOs and CFOs work together to architect and implement integrated technology and data strategies that enable scalable growth and mission success.

STRATEGY, FINANCE & OPERATIONS

We help finance and operations teams play a more prominent and proactive role as enablers of enterprise strategy.

RISK & COMPLIANCE

We help clients manage and comply with regulatory mandates that can impede growth and impact mission or program success.

About MorganFranklin Consulting

MorganFranklin delivers strategy, accounting and assurance services, risk and compliance, and information management and technology solutions to help government clients manage growth and maximize performance. We provide A-123 and audit readiness support, financial management, accounting, and reporting services, and our teams help clients facilitate cost-based performance improvement, resolve agency deficiencies, integrate risk management priorities, develop and implement IT strategies, and enhance overall operational effectiveness. Our consultants optimize business processes, redesign organizations, plan and roll out strategic initiatives, and deliver effective change management solutions. By delivering results-oriented, performance-based solutions that are defensible from headquarters through OMB to Congress, MorganFranklin helps set the pace for excellence in fighting high compliance costs.
