

MORGANFRANKLIN  
CONSULTING

Insight. Ingenuity. Impact.

“They’re intellectually curious and honest. And they’re self-effacing. Just the kind of people everyone likes to work with.”

—Forbes, June 13, 2016

**MorganFranklin Consulting** is a management advisory firm that assists organizations with complex transformational challenges.

That tells you what we do.

The differentiator is how we do it.

Meet the MorganFranklin team—a powerful mix of business consultants, industry veterans, and IT experts eager to take on your toughest challenges. Deep business expertise fused with plenty of hands-on experience enables us to adopt our client's perspective. However you see your company transforming, we have seasoned professionals to help identify next steps and get you where you need to go.

**We know it takes the right combination of people to develop and deliver the right solutions.** MorganFranklin attracts and retains top talent because our company is 100% employee-owned. You'll work with a highly motivated team, carefully assembled to match your needs. You'll also find MorganFranklin leadership accessible, up-to-speed, and ready to roll up their sleeves.

Expect our entire team to be tenacious, thorough, and true to our word. We seamlessly integrate and align ourselves to your organization's priorities.

Because what MorganFranklin really delivers is peace of mind.

**100%**
